

Readers' Theater Class

For Kindergarten through 12th Grade

Wednesdays in September from 1:30 to 3 in the afternoon.

We will discuss the Greek and Shakespearean theater to introduce a little history about the beginnings of theater.

I have picked up some new books on children's plays. Students in Kindergarten through 2nd grade will use "*Fun Phonic Plays for Beginning Readers*". Those students in 3rd and 4th grades will use "*Fabulously Funny Folktale Plays*". For our older students, we will use "*U.S. History: Readers' Theater*".

We will learn how to make simple puppets during one of our classes. The students will have a puppet stage available to try out their projects.

If time allows, students will try out some drama games.

Students can enroll at the library or by calling 417
673-4326.

Class size is limited to 50 students.
